**INSTRUCTIONS FOR COMPLETING THE
OUTSTANDING GRADUATE ENGINEERING STUDENT AWARD
NOMINATION FORM**

Specific

Instructions:

1. Nominee's name as it should appear on the award
2. IEEE membership number and grade, year joined IEEE, year awarded current grade, and IEEE Albuquerque Section residence information
3. Nominee's current Major, study year, and University/College
4. Nominee's school address and telephone number
5. Nominee's residence address and telephone number
6. Nominee's GPA, completed credits, and intended Major/Minor
7. List the names, addresses, and telephone numbers of all endorsers. Each nomination must be accompanied by two letters of endorsement other than that of the nominator. The use of IEEE members as endorsers is encouraged, but not required.
8. Nominator's suggested citation, which will appear on the award and in publicity releases. Be concise, but ensure that the citation reflects the award criteria and the nominee's specific achievement(s).
9. Nominator's name, IEEE membership number and grade, address, residence and business telephone numbers, e-mail address, and current IEEE position
10. State why the nominee deserves this recognition. Describe in what capacity this individual has been exemplary, emphasizing how this student distinguishes himself/herself from his/her peers, and what makes this nominee special and excel beyond what might have been expected of other graduate students in this field.
11. List any primary service to or on behalf of this Section, including dates associated with each elected or appointed office held.
12. List service to the Institute in addition to that described in the previous section.
13. Describe the nominee's academic work and involvement in engineering, emphasizing the individual's particular distinction in this field.
14. When available, provide a list of the patents, proprietary designs, papers, thesis, articles, technical presentations, significant educational responsibilities, and other information to support an accurate determination of the nominee's excellence as a graduate student.
15. List service to the profession in professional/technical organizations other than IEEE.
16. List recognition received through other honors.
17. The nominator must sign and date the nomination form.

Remember that this award recognizes academic achievement and excellence. In your nomination and evaluation, emphasis should be placed on answering the question, "What distinguishes this student from his/her peers?"
