**Date of Meeting/Tour:** Wednesday February 27<sup>th</sup> 2019, 5:00PM

---

The February 2019 meeting for the Duluth Engineers Club will be a presentation of the refurbishing of the Minnesota Slip, the home of the William A Irvin. Chad Scott of AMI Engineering will present the project to the Club.

Presentation: We will gather at **5:00 on Wednesday February 27<sup>th</sup>** for the presentation in the Lake Superior Room in The Spot, located within the Incline Station at 601 West Superior St, Duluth. (Tracy: 218.722.2695) Dinner is off the menu out of your pocket. Guests, questions and students are welcome.

**Directions:** Parking is available above the alley on the west side of 6<sup>th</sup> Av W.

**Please RSVP before Noon on Wednesday, February 27<sup>th</sup> 2019** to Sam Talarico by e-mail [Samuel.Talarico@HuskyEnergy.com](mailto:Samuel.Talarico@HuskyEnergy.com) or by phone, text, or voicemail (218) 340.9781. Sam must provide a Head-Count to the Spot. Guests and family are welcome and new members are encouraged to attend this event.

Business:

- **Old Business:**

- The Club made a \$8,100 donation to UMD Engineering Scholarships. Sam had the pleasure of meeting the students and presenting scholarships of \$2,700 each to:
  - Alexander Lemke, Electrical.
  - Brayden Hoff, Chemical. His father, Sandy, presented Pier B to us.
  - Mark Foldesi, Civil. His uncle, Sonny, is familiar to the Club.

- **New Business:**

- 23rd Annual UMD Engineering Scholarship Fundraiser Golf Outing is tentatively scheduled for Thursday June 13<sup>th</sup> 2019 at Nemadji. MARK YOUR CALENDARS! We celebrated the Club's 100<sup>th</sup> anniversary last year; let's make this year even better.
- The Board of Directors believes that Club members would be interested in employment opportunities. We would be happy to receive a small stipend to publish announcements to share with our members.
- MATHCOUNTS competition for 7<sup>th</sup> & 8<sup>th</sup> grade students was held on February 5<sup>th</sup>. Volunteers had a great time administering the event and scoring the tests. Greg Stoewer does a wonderful job as emcee.
- Tentative Schedule of Possible Events for 2019:
  - Ferro-Dyne (archery hunting equipment) 1230 Poplar St Superior
  - H.I.S. Door 1505 N 8<sup>th</sup> St Superior
  - Raven Crossbow manufacturing
  - UTac Process Mustang Pellet Expansion: Renee Beaumier & Pat Leow?
  - Calumet's Pipeline Inspection & Repair: Sam Talarico
  - Maker Space .com
  - UMD Chemical Engineering Bldg (Stan Burns – Spring 2019)
  - Joint meeting w/ Mining Engineers Club (Melissa Martinie)
  - If anyone has ideas for possible future tours or presentations please bring them to the attention of one of the Board members. It's always nice to have fresh ideas.
- **Bring your dues payment of \$20.00 for 2019 (and/or any previous year).** Club dues are renewed every January. Cash or check is acceptable; a receipt is available. Dues can be handed to any Officer or mailed to: Sam Talarico, Secretary-Duluth Engineers' Club, 1426 Swan Lake Road, Duluth MN 55811. Contact Sam to inquire about your dues status. [Samuel.Talarico@HuskyEnergy.com](mailto:Samuel.Talarico@HuskyEnergy.com) office: 715.398.8264; cell, text & voicemail: 218.340.9781. Thanks to all who are current in their dues.

- **Note Sam's new email address.**

Pretty soon, you will not be able to reach me through the old Calumet email. My phone numbers remain the same.
