

10th Annual GreenTech 2018 IEEE International Conference of Smart City

April 4-6, 2018, Austin, Texas

<http://ieeegreentech.org>

The conference provides a forum where government, industry, and researchers collaborate and present innovative approaches on future framework, plans and innovative technological solutions in moving towards smarter green cities.

Topical Areas

Transportation
Smart Grid
Smart City Opportunities using Green Technology
Strategies for City/Utility Collaboration
Cyber-Physical Systems
AI, Big Data and IoT in Smart Cities
Policy and Legislation
Privacy and Security

Target Audience

- Business Leaders
- International City leaders
- Industry professional
- Academic experts and researchers
- Startups & small businesses
- Grad students

Patronage, Exhibitors and Supporters

Take advantage of Patronage, Exhibitors and Supporters packages at IEEE GreenTech 2018 and demonstrate your company's leadership in your industry.

Becoming a patron, exhibitor and supporter of IEEE GreenTech 2018 provides one of the best opportunities to publicize your company, showcase your brand to the most influential engineering and industrial audience in Green Technologies. Gain visibility and maximize the exposure of your solutions and services in a context of smart city to municipal leaders, influential researchers, operators, vendors, investors, and key decision makers.

For Platinum, Gold and Silver patrons, your company leaders can participate in the IEEE GreenTech 2018 keynote speakers program to share their vision of the future of Green Technologies of Smart City. All patrons will have the opportunity to participate in sessions at the conference. Exhibitors and Supporters will have opportunity to show and share their support for the event.

Details are available on the reverse page. Take action and contact chair@ieeegreentech.org
