*Email to Selected SBs - IEEE BDS Anticlockwise*

---

Honorable SB Counselor and Dear SB Chair,

Congratulations! I am pleased to inform you that after a thorough and rigorous screening procedure, your student branch has been selected to participate in 2017 IEEE BDS Anticlockwise.

In order to make this initiative successful, some key things must be kept in mind.

- The goal of this initiative is to enhance inter-branch collaboration, this is NOT a competition but rather, an excellent opportunity to get to know the local IEEE student community.
- The qualifying criterion to receive funding is two-fold:
  - The SB must host a training session at their own SB.
  - The SB must also conduct a training session in another SB.
- IEEE BDS SAC will provide financial support of a maximum of BDT 6000/- per SB. No additional travel allowance shall be provided.
- After every session, both the host and the trainer SB shall provide a report that includes an overview of their student branch and feedback on their experience.
- Selected branches must communicate between themselves to fix the time and date. It will NOT be fixed by IEEE BDS SAC. Contact details of participatory student branch representatives attached herewith.
- The cycle (hosting and training) must be completed within 31-OCT-2017.
- All other conditions aforementioned in the Call-For document shall also be applicable.

Thank you for your keen interest in this initiative. For any further queries, please do not hesitate to send me an e-mail.

Thanks

**Abdullah Ash- Saki**

Student Activities Coordinator (2017)
