2. Conference related issues of CV Raman:

- The convener of the conference from CV Raman presented the status of re-reviewing of the papers and the detailed statistics. The same will be further considered by the committee including Prof A K Triparty, Prof S R Samantaray and Shri H K Rath and the latest updated package will be sent to IEEE for further consideration.

3. Other Items:

- **Any EC member unable to join due to some unavoidable reason must nominate someone for the EC meeting who is an IEEE members.**
- A calendar of events of the subsection will be fixed and to be followed.

- **A 3 month activity plan from each societies and affinity groups must be submitted to the subsection.**
- **The subsection agreed to charge an amount of Rs 10000 for each conference to be technically cosponsored.**
- A get together for the members will be planned during February 2021.
- It was taken on record that Rourkela got a subsection status and was registered under Kolkata section. Chairman and Secretary had no prior information of the decision by the NIT Rourkela.
- Dr Harekrishna Ratha was congratulated for his taking over charge as Director ITR Chandipur.

Chairman thanked all the office bearers of the outgoing committee for their contribution in all the successful events in the year 2020. **He wished that the present membership strength of 604 should increase by at least 5%.** Every year and this would be possible by inducting more students

The meeting ended with thanks to the chair
