

2024 IEEE PES Boston Annual Banquet May 14, 2024

Four Points by Sheraton Boston Newton

The IEEE PES Boston Chapter serves members in and around the Boston area. Our mission is to be the leading provider of scientific and engineering information on electric power and energy for the betterment of society, and the preferred professional development source, for our members in the Boston area.

Sponsors Overview

The 2024 Annual Banquet is the premier event for Boston IEEE PES members. The program includes interactive events, networking opportunities, and professional development and is designed to attract members from the energy/utility industry and academia and young professionals from the Greater Boston area.

The banquet also features a buffet dinner, live music, presentation of awards, a cash bar, and lots of time to meet and greet other folks in the industry. There is also a good showing of power engineering students and professors from local universities who are our prime source for future employees.

As a sponsor of the 2024 IEEE PES Boston Annual Banquet, you have a unique opportunity to meet and interact with the movers and shakers of the power and energy industry from the Boston area and some of the most promising minds of the next generation. This banquet dinner provides a unique venue to display information about your company or a new product that may be useful either in the workplace, classroom or in life.

What Your Sponsorship Will Support

The money from your sponsorship will go to support the following activities:

- Dinner
- Audio/Visual Equipment
- Student tickets
- Printing Materials – programs, handouts, name badges
