

IEEE CHILECON 2019

Call for Papers

IEEE Chilecon2019

Valparaíso, October 29-31, 2019 Pontificia Universidad Católica de Valparaíso, Chile

Main Subjects:

- Information Technologies
- Power Energy Systems
- Energy Efficiency
- Communication Systems
- Computer Systems
- Computer Networks
- Informatics and Software Engineering
- Industrial Automation
- Power Electronics
- Industrial Electronics
- Industrial Applications
- Control Theory and Applications
- Process Control
- Advanced Control: neural networks, fuzzy sets, genetic algorithms
- Industrials Communications
- Artificial Intelligence
- Computational Intelligence
- Robotics and Automation. FMS
- Image Processing. Computer vision
- Signal Processing
- Sensor Networks
- Biomedical Engineering
- Engineering Education

Honorary President: Dr. René Nóbile
Conference Chairmen: Gastón Lefranc, IEEE
 Claudio Cubillos. PUCV

International Program Committee Chairmen:

Mario Fernández, mafernandez@utalca.cl,
 Cristián Durán, crduran@ubiobio.cl
 Ernesto Rubio, erubio@ubiobio.cl
 Carlos Muñoz, carlos.munoz@ufrontera.cl
 Claudio Cubillos, claudio.cubillos@pucv.cl
 Gastón Lefranc, glefranc@ieee.org

Steering Committee Chairman: Claudio Cubillos,
claudio.cubillos@pucv.cl

Important Dates

Full paper via EasyChair: June 12, 2019

<https://easychair.org/conferences/?conf=chilecon2019>

Paper can be written in inglés, spanish or portuguese

Paper format max. 6 pages see Web Chilecon

IPC notifications: August 20, 2019

Camera Ready Papers: September 23, 2019

Early registration October 1, 2019

CHILECON 2019: October 29 to 31, 2019

Best papers will be submitted for publication in Journals
 ISI Web of Science

Registrations

Include Coffees, Lunches and Banquet

Audience: USD 400, \$ 270.00

Authors: USD 370, \$ 250.000

ACCA, IEEE, AIE, CIE members:

USD 350, \$ 236.000

Early registration 10% less

Students include Coffees and Lunches

Co-authors Students (Academic or Professional has to be
 registred): USD 70, \$ 48.000

Student: USD 80, \$ 54.000
