# IEEE CHILECON 2023

## VALDIVIA, CHILE
### 5TH - 7TH DECEMBER
### HYBRID EVENT

# 4th CALL FOR PAPERS

## TOPICS

> Aerospace
> AI and Computational Intelligence
> Astro-engineering
> Biomedical Engineering
> Education in Engineering
> Geoscience and Remote Sensing
> Communication Systems
> Computer Networks
> Computer Systems
> Computer Vision
> Control Theory and Applications
> Creative and Artistic Technologies
> Digital Agriculture
> Ecological and Environmental Technology
> Electromobility
> Energy Efficiency
> Industrial Applications
> Process Control
> Image processing
> Industrial Automation
> Industrial Communications
> Informatics and Software Engineering
> Information and Communication Technologies in Education
> Information Technologies
> Micro & Nanosystems
> Oceanic Engineering
> Power Energy Systems
> Power Electronics
> Robotics and Automation
> Sensors and Sensor Networks
> Signal Processing
> Social Implications of Technology

## DATES

> Paper submission:        Sept. 10th
> Notifications:           Oct. 27th
> Camera ready papers:     Nov. 15th
> Registration opens:      Sept. 10th
> Conference:              Dec. 5th - 7th

## CHAIRS

> General Chair: Dr. Daniel Vicente Lühr Sierra
> Co-Chair: MSc. Gastón Lefranc
> Co-Chair: Dr. Mario Fernández

## COMMITTEES

> Technical Program Chair: Dr. Pablo Huijse
> Technical Prog. co-Chair: Dr. Fernando Fuentes
> Financial Chair: Isabel Miranda
> Communications Chair: Dr. José Mardones F.
> Outreach Chair: Dr. José Saavedra
> Registration Chair: MSc. Marygrace Balinos
> LOC: Dr. Lorenzo Reyes / MSc. Felipe Vargas
