

UNIVERSITY OF SOUTH CAROLINA

The Power and Energy Group at the University of South Carolina invites you to the “Gamecock Power and Energy Evening.” This first event will engage relevant industries and players in the power and energy area to showcase the research and teaching activities in progress at the University, while celebrating our *Gamecock Pride* in current and past students working in the Power & Energy fields.

Date:

Thursday, October 26, 2017

Time:

6:00PM – 9:00PM

Location:

University of South Carolina
Swearingen Engineering Center
Room 1A03
301 Main Street
Columbia, South Carolina
29208

Parking on campus:
