

**IEEE  
COMMUNICATIONS  
SOCIETY**

**Cognitive Network Security  
Special Interest Group**

**Report GLOBECOM 2016**

**Chair:** K.P. Subbalakshmi, Professor, Stevens  
Institute of Technology, [ksubbala@stevens.edu](mailto:ksubbala@stevens.edu);  
Jefferson Science Fellow, US Dept. of State, 2016

# Cognitive Radio Networking and Security Blog

- The Sec SIG blog on Cognitive Radio Networking and Security is available at: <https://cognitiveradiosec.wordpress.com/>
- Editorial Board
  - Advisory Board: Prof. K.P. (Suba) Subbalakshmi, Stevens Institute of Technology
  - Editor-in-Chief: Prof. Olga Leon, University of Polytechnica, Catalunya, Spain
  - Associate Editors:
    - Juan Hernandez-Serrano, University of Polytechnica, Catalunya, Spain
    - Anand Santhanakrishnan, City University of New York

# Cognitive Radio Networking and Security Blog

- The Sec SIG blog on Cognitive Radio Networking and Security will be running a special issue on “Enabling Mobile Computing and Cognitive Networks through Artificial Intelligence”
- CFP to be released soon via the LinkedIn page as well as other venues
- Blog posts will also be featured on the IEEE Comsoc page.

# Participating in the Cognitive Radio Networking and Security Blog

- To float your own special issues on the blog, or to contribute articles to this blog, please get in touch with
  - Prof. Olga Leon at [olga@entel.upc.edu](mailto:olga@entel.upc.edu)
  - or Prof. K.P. (Suba) Subbalakshmi at [ksubbala@stevens.edu](mailto:ksubbala@stevens.edu)
- Posts published in the blog are also highlighted in the main TCCN site in IEEE COMSOC's main page.
- The blog is a forum to disseminate the latest research/policy/industry advances in cognitive radio networking in general and security in particular

# Participating in Cognitive Radio Networking and Security Blog

- To float your own special issues on the blog, or to contribute articles to this blog, please get in touch with
  - Prof. Olga Leon at [olga@entel.upc.edu](mailto:olga@entel.upc.edu)
  - or Prof. K.P. (Suba) Subbalakshmi at [ksubbala@stevens.edu](mailto:ksubbala@stevens.edu)
- Posts published in the blog are also highlighted in the main TCCN site in IEEE COMSOC's main page.
- The blog is a forum to disseminate the latest research/policy/industry advances in cognitive radio networking and security
- The blog maintains a list of Suggested Readings on topics of interest to the community

# Participating in Cognitive Radio Networking and Security Blog

---

- The blog maintains a list of Suggested Readings on topics of interest to the community
  - Invite interested people to curate a list periodically.
- The blog is also looking for talented young professionals looking to start a robust “birds-of-a-feather” page for senior PhD students and Post-doctoral fellows to exchange ideas on these topics.

# N2 Women Event

---

- Sec-IG members are also involved in holding an N2Women event tonight at 6:30 pm at the Kalorama room
- NSF Program Manager, Dr. Mangala Sharma will be speaking
- Hope to see some of you there.

# Other Events

---

- The Sec-IG is organizing the Social Network track for IEEE GLOBECOM 2016 (Tuesday and Wednesday)
- Sec-IG members serve as AEs for several transactions, e.g:
  - IEEE Transactions on Cognitive Networking
- Sec-IG members are active in the US National Spectrum Consortium

# Getting Involved

---

- TCCN Sec-SIG has about 100 members and growing.
- To join Sec-IG, use the LinkedIn group:
  - [http://www.linkedin.com/groups?home=&gid=5070076&trk=anet\\_ug\\_hm](http://www.linkedin.com/groups?home=&gid=5070076&trk=anet_ug_hm)
  - The group is also searchable under the name of IEEE Cognitive Network Security Special Interest Group in linkedin.
  - You can also send an e-mail to [ksubbala@stevens.edu](mailto:ksubbala@stevens.edu)
