

# TCCN Newsletter

---

- We are re-vamping the newsletter to reflect new focus areas of TCCN and cognitive radio networks in general
  - Internet of things
  - Machine learning
  - Experimental platforms
- Review of recent advances in the areas
- Interviews with experts
- Scope will be expanded as needed

# TCCN Newsletter

---

- Two issues per year
  - May 2017
  - December 2017
- First issue is focused on Internet of Things and Machine Learning
