### Call for Posters

Posters are solicited for research related to any aspect of networking and communications. All researchers in the networking and communications fields are welcome to submit their work for presentation at this workshop. Each poster abstract will be reviewed by members of the TPC. Posters will not be published and hence can be under submission for other conferences or workshops. One poster will be selected to receive a best poster award.

### Submission

Each submission should be formatted as an **extended abstract**, describing the research to be presented in the poster. The length of the extended abstract should be at most **TWO pages** (formatted into the US letter size of 8.5 \* 11 inches with fonts **no smaller than 10 point** size), including all figures and references. The extended abstract must include the names, affiliations and email addresses of all authors and should be submitted at <https://easychair.org/conferences/?conf=n2women0>
