You are cordially invited to attend the N² Women event at WCNC 2016

Women Excellence in Research, Industry and Academia

Tips to Help Women Succeed

Distinguished Speakers

Dr. Ozgu Alay

Senior Research Scientist,
Simula Research Laboratory,
Norway.

Prof. Lajos Hanzo

ECS, Faculty of Physical Sciences and Engineering, University of Southampton, United Kingdom.

Dr.-Ing. Meryem Simsek

Vodafone Chair Mobile Communications Systems, Dresden University of Technology, Dresden, Germany.

Date: **Monday, 4th of April 2016, Time: 18:00-19:00.**

Venue: **PR5-Sheraton Doha Resort & Convention Hotel.**

The event will include talks by our distinguished speakers followed by a discussion.

- N² Women is supported by ACM SIGCOMM, IEEE Communications Society, IEEE Computer Society (CS) Technical Committee on Computer Communications (TCCC), NSF Division of Computer and Network Systems, CRA-W, Microsoft Research, HP Labs, and Google Research.
- This meeting has been generously supported by IEEE Communications Society, and IEEE WCNC 2016.
- **Networking Networking Women (N² Women)** is a discipline-specific community for researchers in the communications and networking research fields.
- N² Women allows women to connect with other women who share the same research interests, who attend the same conferences.
- N² women event is not only for women; it is a networking event, where men support is very welcome as invited speakers and attendee.
