The screenshot shows the homepage of the Tactile Internet Emerging Technical Subcommittee. At the top left is the IEEE Communications Society logo, and at the top right is the IEEE logo. The main heading is "Tactile Internet Emerging Technical Subcommittee". Below this is a search bar with the text "Google™ Custom Search" and a "Search" button. A navigation menu includes "Home", "Officers", "News", "Meetings", "Awards", "Mailing List", "Contact Us", "Activities", "Standardisation", and "Conferences". The main content area features a welcome message: "Welcome to Tactile Internet Emerging Technologies Subcommittee". Below this, a paragraph states: "The Tactile Internet (TI) Technical Sub-committee will focus on exploring and elucidating all facets of the next generation of 'Tactile Internet' technology, business and societal gaps and challenges." A second paragraph follows: "Extremely low latency in combination with high availability, reliability and security will define the character of TI. It will have a marked impact on business and society, introducing numerous new opportunities for emerging technology markets and the delivery of essential public services."
