

# WTC Voting Member List

(25 November 2022)

The list of voting members is provided in accordance with WTC's [Policies and Procedures](#).

In brief, a voting member shall be an active member, a past WTC officer, or an WTC recognition award winner, where:

- Active member: must have attended (physically present or by teleconference) two or more of the prior five regularly scheduled WTC meetings. See list all past attendances [here](#).
- Past WTC officers: see list [here](#).
- WTC recognition award winners: see list [here](#).

## List of WTC active members (as of 25 November 2022):

| Full Name                 | Affiliation                                   |
|---------------------------|---|
| Abd-Elhamid M. Taha       | Alfaisal University                           |
| Adlen Ksentini            | EURECOM                                       |
| Ana Garcia Armada         | UC3M  |
| Andrea Conti              | University of Ferrara                         |
| Andres Kwasinski          | Rochester Institute of Technology             |
| Ayman Radwan              | Instituto de Telecomunicações, Portugal       |
| Azzedine Boukerche        | Univ. of Ottawa                               |
| Bechir Hamdaoui           | Oregon State Univ.                            |
| Boubakr Nour              | Concordia University, Canada                  |
| Boya Di                   | Peking University                             |
| Burak Kantarci            | University of Ottawa                          |
| Changsheng You            | Southern University of Science and Technology |
| Chao Zhang                | Queen Mary University of London               |
| Chia-Han Lee              | National Yang Ming Chiao Tung University      |
| Chin-Tser Huang           | University of South Carolina                  |
| Claudio Marche            | University of Cagliari                        |
| Constantinos Psomas       | University of Cyprus                          |
| Damla Turgut              | University of Central Florida                 |
| Daniel Benevides da Costa | Technology Innovation Institute, UAE          |
| Dirk Wubben               | University of Bremen                          |
| Eirini Eleni Tsiropoulou  | University of New Mexico                      |
| Eric Renault              |   |
| Fan Liu                   | Southern University of Science and Technology |
| Fulvio Babich             | University of Trieste, Italy                  |
| Furkan Ercan              | Boston University                             |
| Giovanni Geraci           | Universitat Pompeu Fabra, Spain               |
| Haibo Zhou                | Nanjing University, China                     |
| Halim Yanikomeroglu       | Carleton University, Canada                   |
| Hamid Jafarkhani          | University of California, Irvine              |
| Harpreet Dhillon          | Virginia Tech                                 |

|                       |  |
|-----------------------|--|
| Hina Tabassum         | York University  |
| Hongliang Zhang       | Princeton University   |
| Hossam Hassanein      | Queen's University   |
| Hsuan-Jung Su         | National Taiwan University                                       |
| Huaiyu Dai            | NC State University  |
| Hussein Mouftah       | University of Ottawa, Canada                                     |
| Imran Shafique Ansari | University of Glasgow  |
| Italo Atzeni          | University of Oulu   |
