MMTC Secretary

- Your brief bio and a link to your CV or homepage

Dr. Liu is currently working as an Associate Professor at The University of Electro-Communications (UEC), Japan. Before moving to UEC, I have worked in National Institute of Informatics, Waseda University and Shizuoka University. Dr. Liu graduated from National Institute of Informatics and University of Science and Technology of China with a Ph.D. and a B.S., respectively.

His research interest is video streaming, and the research results have been published in more than 200 prestigious IEEE/ACM journal and conferences papers, including more than 90 IEEE/ACM journal papers and 8 ESI highly cited papers. These papers attract more than 5700 citations according to Google Scholar and he is listed as a World's TOP 2% Scientist by Stanford University for consecutive years. Dr. Liu has been awarded 6 IEEE conferences best paper awards, including best paper award of the IEEE MSN2020, best paper runner-up of the IEEE ICPADS2022. He is also awarded the IPSJ/IEEE Computer Society Young Computer Researcher Award.

Dr. Liu is also actively contributing to the society. He currently serves as an Associate Editor of IEEE Transactions on multimedia, IEEE Network, IEEE Internet of Things Journal, Springer Wireless networks, and guest editor of IEEE Wireless Communications, IEEE Vehicular Technology magazine.

He is serving or has served Area Chair of ACM MM24, area chair of IEEE ICME23, Co-chair of the GLOBECOM 2023 Symposium on Communications Software and Multimedia, track co-chair of IEEE VTC, workshop co-chair of IEEE HPSR22, TPC co-chair of IEEE INFOCOM23 workshop NG-OPERA23, TPC-chair of IEEE ICT-DM, track co-chair of IEEE CBDCom, to name a few.

- Your past involvement and contribution to the MMTC community

- **Newsletter editors:** Since 2022, I have been managing the MMTC mailing list and editing the weekly newsletter consecutively for over 100 weeks.

- **ComSoc TC News Letter Coordinator:** On behalf of the Multimedia Communications Technical Committee (MMTC), I have been responsible for editing the MMTC section of the ComSoc TC Newsletter.

- **Conference organizing:** I have participated in several MMTC-sponsored conferences as an organizing committee member, Technical Program Committee (TPC) member, or reviewer. For example, I served as the symposium co-chair for the Communication Software & Multimedia Symposium at Globecom 2023, where we received over 110 submissions—the highest number in recent years.

- **Others:** I also assisted in setting up MMTC TC meetings and other activities to ensure the smooth running of the Technical Committee
