

# 2018 IEEE COMMUNICATION THEORY WORKSHOP

May 14-16, 2018  
Miramar Beach, Florida, USA

## Organizing Committee

### General Co-Chairs

David Love  
*Purdue University, USA*  
Erik Perrins  
*University of Kansas, USA*

### Technical Program Co-chairs

Bert Hochwald  
*University of Notre Dame, USA*  
Petar Popovski  
*Aalborg Universtiy, Denmark*

### Poster Co-Chairs

Chih-Chun Wang  
*Purdue University, USA*  
Bruno Clerckx  
*Imperial College London, UK*

### Publicity Co-Chairs

Taejoon Kim  
*University of Kansas, USA*  
Besma Smida  
*University of Illinois at Chicago, USA*

### Advisory Board

David Gesbert  
*EURECOM, France*  
Jeffrey G. Andrews  
*The University of Texas at Austin, USA*  
Michael Honig  
*Northwestern University, USA*  
Stephen Hanly  
*Macquarie University, Australia*

## IEEE CTW 2018

The workshop will be held at the superb and captivating Hilton Sandestin Beach Golf Resort & Spa in the beautiful Miramar beach. The continued success of this workshop lies in its informal and highly interactive atmosphere. The goal of the workshop is to explore research at the intersection of theory and practice. Participants will include experts from industry and academia. A focus of the workshop will be on broad discussion of the future of communications. As always, the workshop will be single track, with five technical sessions, three plenary speakers, two panel discussions, and a hot-topics evening poster session.

## Call for Posters on Recent Results

The technical program committee is soliciting contributions for an afternoon poster session devoted to recent results. We especially encourage students and junior researchers to participate. There will be no published proceedings. Any contribution in the general area of communication theory is welcome. Extended abstracts (2 pages maximum, double column, IEEE style) for the poster session should be submitted by emails to the following two email addresses simultaneously: Chih-Chun Wang at [chihw@purdue.edu](mailto:chihw@purdue.edu) and Bruno Clerckx at [b.clerckx@imperial.ac.uk](mailto:b.clerckx@imperial.ac.uk). Please include the keywords "CTW 2018 Poster Submission" in the subject line of the email.

Electronic submissions must be in PDF format and provide sufficient details for careful reviewing.

## Important Dates

March 30, 2018  
April 4, 2018  
April 7, 2018

Abstract submission deadline  
Acceptance notification  
Early registration deadline
