 - <http://www.meetup.com/Denver-OpenDaylight-Users-Group/>

Introductions

- Are you involved with ODL?
- What is your role or interest?
 - Developer, Architect, Tester, Data Modeler, End-user, etc.

Planning/Next Steps

Next Steps

- What topics are members interested in?
- Do we have anyone willing to present at a future meeting?
- How often should we meet? *Once per quarter (after the holidays)*
- Other ideas/comments/questions?
- *Topic Ideas:*
 - *Round Table Discussions and what comes out of a roundtable*
 - *Potential Use Cases*
 - *Dan Rice (what ABB is working on)*
 - *TSDR (Data Collection framework) - Adolfo*
 - *A read out of projects under development*
 - *TOSCA versus YANG*
 - *Upcoming releases (Phil) - May*
 - *Thesis Capstone projects (April timeframe)*
- *How to market this?*
 - *IEEE including ComSoc and CompSci (Mark)*
 - *SCTE (Frank)*
 - *CU (such as ITP Telecom)*

Thank You!

Brian Hedstrom
