

## Announcement

# IEEE EPEC 2014

## Electrical Power and Energy Conference

*Partnership Between Industrial Users and Power Providers*

November 12-14, 2014, Calgary, AB, Canada

# IEEE Canada

Cosponsored by: IEEE Canada and IEEE Southern Alberta & Northern Canada Sections

## Corporate Sponsorships

The annual Electrical Power and Energy Conference (EPEC 2014) will take place in Calgary, AB, Canada from November 12 to 14, 2014. The objective of EPEC 2014 is to provide a forum for the exchange of electrical applications technology related to electrical power and energy generation and distribution systems. This year we will be focusing on partnerships between industrial users and power providers by bringing together industrial users, power providers, manufacturers, consultants and academia to discuss cutting edge topics of interest to all stake holders.

Sponsorships, participation in the exhibition and/or hosting hospitality suites are all available to corporate or institutional organizations who wish to participate in the Conference.
