Conference Website: <http://www.ieee-iccc.org/>

IEEE/CIC International Conference on Communications in China (ICCC 2016) will be held in Chengdu, China, 27-29 July, 2016. This conference will feature world-class plenary speakers, major technical symposia, industry and academic panels, tutorials, and workshops. The technical program chairs invite submission of original papers to the following symposia for presentation at the conference and publication in the conference proceedings. Accepted and presented papers will be submitted to IEEE Xplore. Best paper awards will be selected from accepted and presented papers.

Symposium of Next Generation Networking of IEEE/CIC ICC 2016

The Next-Generation Networking Symposium at IEEE ICC 2016 aims to provide a forum for researchers in both academic and industry to discuss the challenging research issues relevant to next generation networking technologies. To ensure complete coverage of the advances in this field, this symposium solicits original contributions in, but not limited to, the following topical areas:

- Future Internet Architecture and Design
- Next-Generation Access Networks
- Software Defined Networking
- Information-Centric Networking, Peer-to-Peer Networking, and Social Networking
- Data Center Networking, Network Virtualization and Services
- Network Convergence, Sustainability, and Resilience
- Privacy and Security Issues in NGN
- Network Planning and Management
- Network Service Provisioning, Measurement, and Management
- Interworking, Interconnection, Interoperability Issues of NGN
- Internet of Things (IoT), M2M, D2D, MTC
- Performance Evaluation
