

IEEE/CIC International Conference on Communications in China

IEEE/CIC ICC

27-29 July 2016, Chengdu, China

Conference Website: <http://www.ieee-iccc.org/>

IEEE/CIC International Conference on Communications in China (ICCC 2016) will be held in Chengdu, China, 27-29 July, 2016. This conference will feature world-class plenary speakers, major technical symposia, industry and academic panels, tutorials and workshops. The technical program chairs invite the submission of original papers to following symposia for presentation and publication in the conference proceedings. Accepted and presented papers will be submitted to IEEE Xplore. Best paper awards will be selected from accepted papers.

Symposium of Optical Communication Systems and Networks of IEEE/CIC ICC 2016

This symposium aims to bring together the researchers interested in state-of-the-art technologies on optical communication systems and optical networks, from components to systems, networks and applications. The topics of interest include but not limited to:

- Advanced modulation and coding techniques for optical communications
- High-capacity optical transmission systems
- Ultraviolet and visible light communication systems
- Optical wireless communication systems
- Underwater optical communications
- Software-defined optical networks
- Next-generation optical networks architectures for core and access networks
- Energy efficiency, reliability and security in optical communication networks
- Fiber-Wireless communication systems
- Optical networking for 5G cellular, future Internet, and data center networks
- Visible light and ultraviolet communications
- Free space optical communications
- Optical wireless communication systems and networks

Submission Guidelines

The submitted papers should be original, not published or currently under review for

publications in any other journal or conference. All submissions must be formatted in standard IEEE camera-ready format and must be written in English and be at most six (6) printed pages in length, including figures. Papers should be submitted through EDAS System.

Important dates:

Paper Submission Deadline: Final Deadline extended to 15 April, 2016.

Acceptance Notification: May 20th, 2016.

Camera-Ready: June 10th, 2016.
