

IEEE/CIC International Conference on Communications in China

IEEE/CIC ICC

27-29 July 2016, Chengdu, China

Conference Website: <http://www.ieee-iccc.org/>

IEEE/CIC International Conference on Communications in China (ICCC 2016) will be held in Chengdu, China, 27-29 July, 2016. This conference will feature world-class plenary speakers, major technical symposia, industry and academic panels, tutorials and workshops. The technical program chairs invite the submission of original papers to following symposia for presentation and publication in the conference proceedings. Accepted and presented papers will be submitted to IEEE Xplore. Best paper awards will be selected from accepted papers.

Symposium of Wireless Networking and Multimedia of IEEE/CIC ICC 2016

A list of specific topics under WNM:

- Wireless sensor networks
- Wireless mobile, ad hoc networks
- Vehicular networks
- Cognitive radio networks
- Wireless mesh networks
- Cellular networks, 4G, 5G, LTE/LTE-A, Wi-Fi
- Heterogeneous wireless networks
- Energy-efficiency and transmission scheduling in wireless networking and wireless multimedia and applications
- Internet of things

Submission Guidelines

The submitted papers should be original, not published or currently under review for publications in any other journal or conference. All submissions must be formatted in standard IEEE camera-ready format and must be written in English and be at most six (6) printed pages in length, including figures. Papers should be submitted through EDAS System.

Important dates:

Paper Submission Deadline: Final Deadline extended to 15 April, 2016.

Acceptance Notification: May 20th, 2016.

Camera-Ready: June 10th, 2016.
