

General Info      Plenary      Panel Sessions  
 Tutorials      Paper Sessions

Tuesday, February 17, 2015					
7:30-17:00 Registration - Independence Foyer					
8:00-12:00	Smart Distribution Systems Room: Independence Ballroom F	Topics on Smart Substations - Protection, Control, Communications, Wide Area Measurements, and Enterprise Applications Room: Independence Ballroom G		Distribution System Modeling, Automation, Management and Advanced Applications Room: Independence Ballroom H	
12:00-13:00 Lunch Break (lunch on own)					
13:00-17:00	Microgrids: Designing Their Role in Smart Grid Room: Independence Ballroom F	Smart Grid 204: Introduction to Smart Grid Data and Analytics Room: Independence Ballroom G	Smart Grid 308: Distributed Energy Resources Room: Independence Ballroom H		
Wednesday, February 18, 2015					
7:30-18:30 Conference Registration - Independence Foyer					
7:30-8:15 Continental Breakfast - Independence Foyer					
8:15-8:30 Opening Session Saifur Rahman, Chair, 2015 ISGT Conference Miroslav Begovic, President, IEEE PES Room: Independence Ballroom A					
8:30-9:00 Keynote Address Amy Ericson, President, Alstom US Room: Independence Ballroom A					
9:00-10:00 Plenary Panel Session Smart Grid Around the Globe Room: Independence Ballroom A					
10:00-10:30 Coffee Break - Independence Foyer					
10:30-12:00	Cybersecurity: Lessons learned from DOE Projects Room: Independence Ballroom BC	Smart Distribution Applications Room: Independence Ballroom DE	Transactive Energy Systems As A Means of End-to-End Grid Integration Room: Independence Ballroom FG	Microgrids I Room: Independence Ballroom HI	International Experience Room: Farragut Square / Lafayette Park
12:00-13:00 Lunch Break (lunch on own)					
13:00-14:30	Special Workshop: Trustworthiness of Smart Grids Room: Independence Ballroom BC	Distribution Automation Room: Independence Ballroom DE	Transaction-Based Control Room: Independence Ballroom FG	Distribution I Room: Independence Ballroom HI	PMU and Wide Area I Room: Farragut Square / Lafayette Park
14:30-15:00 Coffee Break - Independence Foyer					
15:00-17:00	Special Workshop (cont'd): Trustworthiness of Smart Grids Room: Independence Ballroom BC	Smart Grid Innovation in an Integrated Utility Framework Room: Independence Ballroom DE	Changing Utility Landscape Room: Independence Ballroom FG	Distribution II (Voltage) Room: Independence Ballroom HI	Markets Room: Farragut Square / Lafayette Park
18:00-20:00 Poster Session and Reception Independence Ballroom A					
Thursday, February 19, 2015					
7:30-18:30 Conference Registration - Independence Foyer					
7:30-8:30 Continental Breakfast - Independence Foyer					
8:30-9:00 Keynote Address Patricia Hoffman, Assistant Secretary, Office of Electricity Delivery and Energy Reliability, U.S. Department of Energy Room: Independence Ballroom A					
9:00-10:00 Plenary Panel Session State and Local Government Policies Driving Smart Grid Adoption Room: Independence Ballroom A					
10:00-10:30 Coffee Break - Independence Foyer					
10:30-12:00	R&D Needs for Grid Modernization Room: Independence Ballroom BC	Advances in Smart Buildings and Facilities - Automated Demand Response, Microgrids, and Beyond Room: Independence Ballroom DE	Interoperability and Standards - Progress on Global Harmonization Room: Independence Ballroom FG	Microgrids II Room: Independence Ballroom HI	Cybersecurity I Room: Farragut Square / Lafayette Park
12:00-13:00 Lunch Break (lunch on own)					
13:00-14:30	Innovation Policy for the Grid Room: Independence Ballroom BC	Role of Energy Storage and Effective Control in Grid & Shipboard Operations Room: Independence Ballroom DE	Smart Grid Convergence with Next-Generation Cyber-Physical Systems Room: Independence Ballroom FG	Distribution III Room: Independence Ballroom HI	PMU and Wide Area II Room: Farragut Square / Lafayette Park
14:30-15:00 Coffee Break - Independence Foyer					
15:00-17:00	Enhancing Resiliency of Distribution Systems Room: Independence Ballroom BC	Lessons Learned from DOE Smart PV Inverter Program Room: Independence Ballroom DE	Vehicle-to-Grid Room: Independence Ballroom FG	Electric Vehicles Room: Independence Ballroom HI	Off-Nominal Room: Farragut Square / Lafayette Park
18:00-20:00 Evening Gala Dinner After Dinner Talk by: Andres Carvallo, Compass Management Group; Former CIO, Austin Energy and Author of <i>The Advanced Smart Grid</i> Room: Independence Ballroom A					
Friday, February 20, 2015					
7:30-12:00 Conference Registration - Independence Foyer					
7:30-8:30 Continental Breakfast - Independence Foyer					
8:30-9:00 Keynote Address Harold DePriest, President, Chattanooga Electric Power Board Room: Independence Ballroom A					
9:00-10:00 Plenary Panel Session Smart Grid Evolution: Technology, Policy and Regulation Room: Independence Ballroom A					
10:00-10:30 Coffee Break - Independence Foyer					
10:30-12:00	Improving Reliability with Smart Grid Analytics (Part I) Room: Independence Ballroom BC	Wide Area Protection, Communication and Control in Energy Systems Room: Independence Ballroom DE	Smart Eco-Cities and Communities Room: Independence Ballroom FG	Microgrids III Room: Independence Ballroom HI	Cybersecurity II Room: Farragut Square / Lafayette Park
12:00-13:00 Lunch Break (lunch on own)					
13:00-14:30	Improving Reliability with Smart Grid Analytics (Part II) Room: Independence Ballroom BC	Power and Energy System Applications Room: Independence Ballroom DE	Smart Grid Hot Topics Room: Independence Ballroom FG	Buildings Room: Independence Ballroom HI	The Big Picture Room: Farragut Square / Lafayette Park
14:30 Conference Ends
