

## Sponsorship Program 2018 IEEE IUS

The 2018 IEEE International Ultrasonics Symposium (IUS2018) will be held at the Portopia Hotel, Kobe, Japan, USA from October 22-25, 2018. The symposium has many sponsorship packages available. Over a thousand scientists, engineers and clinicians attended each of three recent symposia in Taipei (2015), Tours (2016), and Washington D.C. (2017). We anticipate another successful symposium in Kobe, Japan in 2018 with estimated 1,200 or more attendees.

We hope you will consider being a sponsor of IUS2018! Please visit [www.yesevents.com/ius/exhibitors](http://www.yesevents.com/ius/exhibitors) for details on sponsorship opportunities at various levels. We advise you to make your sponsorship requests as soon as possible because some packages have limited availability and are awarded on a first-come first-serve basis.

## Push Message Alerts

Specifications:

**Subject Line:** Alert subject lines or titles longer than 29 characters will be automatically and randomly abbreviated by the mobile app. So, to maintain content and context, you might consider keeping your subject line to fewer than 29 characters.

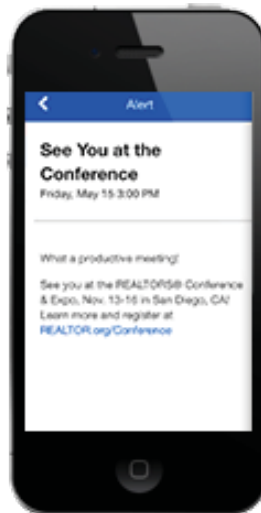

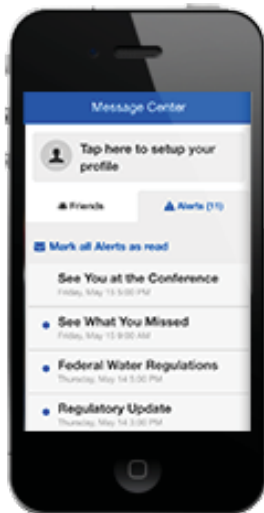

**Body:** The body of the alert message can be scrolled to accommodate lengthier messages, and can contain full URLs to link the user to a webpage.

Please provide:

- (1) Date/Time Alert will be scheduled to send
- (2) Alert Title
- (3) Body of Alert message

**Note:** The three most recent alerts appear at the top of the Dashboard page, and all alerts are saved under the “Alerts” Dashboard icon.

On the Apple and Android app version, “Push notification” alerts can be set to be received as “overlay” messages, shown below. The user simply taps the message to open the app and be taken to the alert message.
