

IEEE Geoscience and Remote Sensing Society (GRSS) Kolkata chapter is organizing an outreach activity program for high school and undergraduate students to **encourage inquisitiveness** among young minds and help them **understand** the field of Geoscience and Remote Sensing (GRS) before they enter university.

It will help students to realize:

- the various **possibilities** that exist in this domain and
- the various **applications** of GRS that are currently quite relevant.

This outreach event is a part of our chapter activities to promote the field of Geoscience and Remote Sensing as well as to help students **understand and develop a keen interest** in this field and to **provide a platform** for them to start early.

In this regard, a lecture has been organized by the IEEE GRSS Kolkata chapter.

- ❖ Topic: **Introduction to Remote Sensing and its applications.**
- ❖ Speaker: **Dr. Barun Raychaudhuri**
Professor, Dept. of Physics, Presidency University, Kolkata
- ❖ Date & Time: **15 July 2021, 11:00 am**
- ❖ Venue: Virtual
(Google Meet link to be provided by IEEE GRSS on application)
- ❖ Duration: 30 minutes' presentation + 15 minutes Q & A
- ❖ Target audience: Classes 11 & 12
- ❖ Maximum attendees: 90
- ❖ Google Forms link: <https://forms.gle/WXqvYbKizEBg5T5Z9>
(To be filled by participants only)

We invite you to join the event and be a part of this endeavor by IEEE GRSS Kolkata Chapter.

Please confirm the participation of your school via email at the earliest.
