# CONCLUSION

# ....the IA-Society is a good Society ....maybe the best one

## ■ IAS

- covers a broad field of technical interests
- is a popular society
  - IEEE has ~2200 chapters worldwide in 38 Societies
    - so, the chapter per society rate of IEEE is ~58
  - IAS has 188 chapters currently
    - which is ~3.24-times more than the average of the IEEE societies
    - 27.7% of our Chapters are Student Branch Chapters
- wants to keep this high level of professional activity, and leadership, and student support
