- Networking dinner with majority students, some professors, some professionals/YPs on Wednesday April 17, 6:30-9 on UCI campus
- IEEE YP has funding for partnership with students for $500 (STEP)
- Requested $250 from YP and asking OC match $250, with reimbursement from YP given back to OC later
- Asking $500 from YP means they want to see matching funds from OC section, so $250 means an even split between the two
- Formal request: $500 from OC section to be given to UCI IEEE for SPAC with $250 to be given back to OC once IEEE YP sends the funding post-event

Moved and approved to advance $500 to support SPAC with expectation that $250 will be returned after other sources contribute.
