

## **IEEE PES PSOPE Main Committee Meeting Minutes at GM18**

Location: OC-E142, Portland Convention Center, Portland, OR

Time: Wednesday (August 8, 2018) 1-3pm

- 1- Fran Li started the meeting and welcome the committee officers and members.
- 2- Francois Bouffard presented the PSOPE TCPC report. The detailed TCPC report is attached.
- 3- Dean Fiorino presented about IEEE PES Technical Committee activities. He introduced IEEE PES resource center and emphasized the importance of working with PSOPE committee to produce new content for the resources center. This includes the technical reports created by WGs and TFs, as well as webinars and tutorials. There was a question about the copyright issue with the panel presentations that are posted in the resource center that Dean is going to investigate.
- 4- Juan Carlos Montero Quiros presented on behalf of the PES governing board about the importance of PES resource center and how the committee can support developing content for the resource center. Juan also talked about PES corporate relation program that looks at involving the industry with PES technical committees.
- 5- Anil Pahwa, the PSOPE Awards Committee chair, presented the following awards:
  - a. IEEE PES Technical Committee Prize paper award for Hamid Zareipour
  - b. IEEE PES Technical Committee Outstanding Service Award to Hong Chen
  - c. Service Certificate to Federico Milano
- 6- The SC officers presented reports on the SC activities.
- 7- Adjourn
