The screenshot shows a Microsoft Internet Explorer browser window displaying the Region 2 Awards and Recognition Program webpage. The browser's address bar shows the URL: http://www.ieee.org/reg2/R2W/Awards_menu.html. The webpage features the IEEE logo and the text "Region 2 | Awards and Recognition Program". Below the title, it states: "Generally, IEEE awards serve several purposes:" followed by a list of purposes: "The awards are an expression of recognition for outstanding contributions to the art and science of electro-technology.", "Serve as an incentive to youth to emulate excellence.", and "Are a personalized presentation to the public of the achievements of the profession and its members." It also mentions that the awards identify IEEE with these achievements. The page further explains that Region 2 has established the Awards and Recognition Committee to assist in recognizing, rewarding, and promoting excellence. A list of links for more information is provided, including "Awards Committee Information", "Awards Manual", "Awards Nomination Forms", "Awards Recipients", and "Section Awards". A section titled "Other IEEE Awards Programs" includes links for "IEEE Journals", "Member and Geographic Activities Board Awards", and "IEEE USA Awards".
