IEEE RRV Section, Chicago/Rockford Consultants' Network Meeting
SERVING IEEE MEMBERS OF NORTH CENTRAL ILLINOIS AND SOUTH CENTRAL WISCONSIN

WHEN Thursday, April 28, 2016

WHERE

Rock Valley College,
Woodward Technology Center, Room 142
Rockford, IL

AGENDA

6:00 PM Networking
6:30 PM Dinner
7:15 PM Presentation

TOPIC

IEEE Consultants in Northern Illinois

The Chicago Section of the IEEE and the Rock River Valley Section of the IEEE joined forces a few years ago to sponsor a very successful consultants network. It is called appropriately the "IEEE Chicago-Rockford Consultants Network." The membership varies throughout the year and from year-to-year. At times we have had a Network member mailing list with well over 100 names. The Network meets once every two months (odd-numbered months) on the last Monday evening. Meetings are usually at the Palatine Public Library, 700 N North Ct, Palatine, IL 60067. Anyone can come to any or all of our meetings. There is no charge for attendance at meetings or for membership in the Consultants Network.

However, once a year, on the last Thursday of April we have recently introduced a special meeting in which the Network meets with the RRVS in Rockford. This is it.

This meeting will feature 10-minute presentations from seven speakers who are consultants (full-time, part-time and want-to-be's) about how and why they got started in consulting, what services they provide, and how they market their services.

MEAL INFORMATION

Dinner entrée will feature your choice of Vegetarian or Non-Vegetarian meals.

Members & Student Members: FREE,
Non-members: \$10,
Student non-members: \$5
Presentation only: FREE

Please register online at

Giovanni's

AGENDA

8am to 5 pm

TOPIC

EMC Seminar

SPEAKER

Dr. Todd Hubing

The IEEE RRVS will be hosting the annual EMC Seminar on June 14. Based on suggestions from last year's attendees, the seminar will be held at a new location, Giovanni's.

Dr. Todd Hubing is EMC consultant and instructor for EMC short courses. He is a Professor Emeritus of Electrical and Computer Engineering at Clemson University and Director of the Clemson Vehicular Electronics Laboratory. He is an IEEE Fellow and a Fellow of the Applied Computational Electromagnetics Society. Before coming to Clemson in 2006, he worked for IBM in Research Triangle Park, NC (7 years) and the Missouri University of Science & Technology, formerly University of Missouri-Rolla (17 years). He is a past president of the IEEE Electromagnetic Compatibility Society.

Detailed information will be provided in the next newsletter.

MEAL INFORMATION

The seminar includes breakfast and lunch.

Review of March Events

March section meeting featuring Jay Patel from HV Technologies. The presentation, and lively discussions, covered DO160 Section 22 Aircraft Lightning. From left to right: Jay Patel, Jamal Shafii (RRVS EMC Chapter Chair), Jitendra Solanki (RRVS Section Chair).

The annual NIU Student Branch networking social at Rosita's in DeKalb.
