“Resilience = Success”

Turn your obstacles into opportunities

A career talk with Ms. Jacintha Jayachandran

Date: 22 May 2021

Time: 2:00 PM to 3:00 PM

Mode: Online (Webinar)

Total Number of Participants: 57

The Event started off with a brief introduction about the speaker :

Ms. Jacintha Jayachandran is a Strategic Advisor-CSR & Diversity and Inclusion at Enquero, Trustee- HopeWorks Foundation. She has 26 years of work experience.

Ms. Jacintha Jayachandran started off with the question “With a fast moving phase of life and career do you feel that you’re stuck in the middle of the ocean with no way out?”

Ma’am then spoke about how to stand out from others. She asked every student not to follow what everyone does. Later on she added that everyone must develop their external skills.

The session ended with a Q&A session, where a few of our students pitched in good questions and the speaker gave accurate answers and added a lot of important points.

Overall, the Speaker Enlightened everyone with her valuable knowledge.

At the end, digital badges were issued to the participants.
