## IEEE Workshop «How to Get Published Under Your Institution's Open Access Agreement with IEEE»

- ▶ This event will provide authors with **best practices** in **preparing a manuscript**, **navigating the journal submission process**, and **important tips** to help authors, and how to **publish open access** under the current IEEE agreement in Italy.
- ▶ It will also **review the opportunities authors** and academic institutions have to **enhance the visibility and impact of their research** by publishing in the many open access options available from IEEE.
- ▶ This session will feature the perspective of **Prof. Giovanni Ghione** (IEEE Life Fellow) of Politecnico di Torino, Dipartimento di Elettronica e Telecomunicazioni. Prof. Giovanni Ghione has authored or coauthored more than **350 research articles and four books**. He was the Associate Editor (2010-2015) and then Editor-in-Chief (2016–2022) of the IEEE Transactions on Electron Devices.
- ▶ Prof. Ghione will provide **critical insights on IEEE's peer review and submission processes** and tips on what editors look for in submissions.
