The next Issue of Newsletter will be published in April 2016. Submit articles by April 11.

Please consider participating in IEEE section activities. IEEE Schenectady Section still has openings on many Section committees. See page 3 for details.

Please note that IEEE may close Section Society Chapters if there is no leadership.

Upcoming Events

- March 4, 2016: Tour of CNSE Facilities
- March 25, 2016: Artificial Intelligence: Existential Threat or Our Best Hope for the Future?- Presented by Dr. Jim Hendler

Steps to become IEEE Senior Member

http://www.ieee.org/membership_services/membership/senior/index.html

Senior member is the highest grade for which IEEE members can apply. IEEE members can self-nominate, or be nominated, for Senior Member grade.

To be eligible for application or nomination, candidates must:

- Be engineers, scientists, educators, technical executives, or originators in IEEE-designated fields
- Have experience reflecting professional maturity
- Have been in professional practice for at least ten years (with some credit for certain degrees)
- Show significant performance over a period of at least five of their years in professional practice

There is no additional fee to apply for Senior Member grade.

IEEE Schenectady Section is interested in promoting its qualified members to Senior Members. Please contact Section Chair, James Barrett (jbarrett@nyiso.com) if you are interested and need referrals for your application.

2016 e-Week

Feb 25-26, 2016

Marriott Hotel, Wolf Road, Albany

www.capitaldistrictweek.org

The Capital District E-Week's focus is to promote the Engineering Profession. The purpose of this event is to raise public awareness of engineers' positive contributions to quality of life, promote the importance of a technical education including a high level of math, science and technology literacy among parents, teachers and students, and motivate youth to pursue engineering and related careers to provide a diverse and vigorous engineering workforce.

e-Week is a non-profit activity, and the surplus funds generated from the event are donated to organizations that promote STEM education in area schools. Recipients include the Model Bridge Competition, the Robotics Team, MathCounts, FutureCities, Women in Engineering, etc.
