

2019 IEEE Albany Nanotechnology Symposium (ANS)

Materials and processing innovation for future AI applications

Tuesday, Nov 12th – Wednesday, Nov 13th, 2019

Keynote Speech by **Kaushik Roy**
(Purdue University)

Plenary Talk by **Lisa Amini**
(IBM)

- Invited talks from experts in AI research:
 - **Geoffrey Burr** (IBM), **Chris Carothers** (RPI), **Michael Lercel** (ASML)
- “Building Trust in AI” invited talks and panel discussion:
 - **Michael Hind** (IBM), **Abby Everett Jaques** (Stanford), **Geoffrey Burr** (IBM) and **Selmer Bringsjord** (RPI)
- Lithography tutorial session:
 - **Luciana Meli** (IBM), **Daniel Schmidt** (IBM), **Charlie Liu** (IBM) and **Robert Brainard** (CNSE)

Plus contributed oral presentations and posters
