

WELCOME TO THE NYISO KREY CORPORATE CENTER

Welcome to the NYISO Conference Center – the home for the NYISO’s stakeholder training functions and shared governance meetings. Whether you plan to attend NYMOC, or one of our committee, subcommittee, or working group meetings, the Conference Center has been designed to meet your needs. We have compiled some information below to make your visits to the Conference Center easier. If you have any questions, please do not hesitate to ask your meeting/training facilitator or at the Front Desk.

HOW DO I ENTER THIS BUILDING?

By following these few steps, it will hopefully ensure smooth entry into the KCC.

Due to security requirements, rsvps for all meetings at the NYISO Conference Center will be required at least 24 hours in advance of the function. NYISO staff will solicit rsvps for each event. The completion of a Market Training course registration is your rsvp. Registering with NYISO staff in advance of your meeting will ensure your name is placed on the NYISO’s visitor logs, which will expedite your check-in process with NYISO Security when you arrive.

- To expedite your entry into the building, please be prepared to present a valid driver’s license or a State issued I.D. with photo to security. You will then be asked to sign the Visitors log prior to receiving your badge.
- For first-time visitors, please show your identification at the Security front gate when entering the property AND be prepared to show this to Security guards at the front desk inside the building. Photo identification will be developed for you that will be re-issued each time you attend a meeting or training at this location. Once we have your photo and necessary information on file, each time you rsvp, a new badge will be created for you ahead of time and will be issued to you at the reception desk. Each time you come to the NYISO you will be required to show Identification access the property.
- Once you have shown your I.D. and signed in, you will receive a NYISO badge which you are required to wear visibly at all times while in the building. If you need to leave the building at any time you need to give the Security Guard your badge, it will be returned to you when you re-enter the building

INTERNET, FAXING AND COPIER

- Wireless and wired internet is available in all of the conference Center meeting rooms. Please contact your meeting host for assistance with copying and faxing.
- There is a Windows PC in the Conference Center hallway for visitors use for simple tasks, i.e. booking a hotel, making travel arrangements, etc., however, a printer is not available.
