

Guest Speaker:  
Dr. Tanvi Gautam

Dr. Tanvi Gautam, a regular visitor to the C-suite, is a multi-award winning keynote speaker, best-selling author and consultant on transformational leadership in the age of disruption. Noted internationally as a top 10 HR influencer on social media, she was named by the Workforce magazine (USA) to the 'Game Changer' awards list. Dr. Tanvi is on the board of the Asian Region Training and development organization and she often serves as a jury member on prestigious awards panels such as the Linked-In conscious business leader awards and the BritCham Diversity and Inclusion awards. Her insights on the future of work have been quoted and published in forums such as Harvard Business Review, Forbes.com, Wall Street Journal Mint, The Business Times and Economic Times. She is a corporate storytelling, narrative coach helping leader who uses the power of narrative for digital transformation, employer branding, culture change and sales. Her case studies on HR transformation are used internationally by Business Schools for MBA teaching. She was a member of faculty for University of Richmond HRM Masters in the area of Technology and HR, as well as a lecturer for the PhD program at Virginia Commonwealth University.
