IEEE PES (Singapore Chapter) is hosting our Annual Lunar New Year Community Service Activity, “Spring Party with Seniors” on Saturday, 28th January 2023. This party has been an annual event since 2008. It was last organised in 2019 and the party in 2020 was cancelled few days before the event due to COVID19. This year, the venue is at Martha Active Ageing Centre at Block 364 Upper Serangoon Road.

Martha Active Ageing Centre helps seniors age-in-place Healthily, Interdependently, and Purposefully. It is a go-to point for seniors to receive timely access to quality care, have the opportunity to build strong social connections, take part in recreational activities, and contribute to the community as they wish.

This party by IEEE PES (Singapore Chapter) aims to reach out to the seniors with entertainment and games put up by our members and families. It serves as a social and recreational activity for the seniors to enable them to lead more meaningful social lives. Members can participate by helping to serve food and drinks, mingle and talk, play games or put up performances. The parties over the years have brought joy to more than 1000 Seniors in different Senior Activities Centres in Singapore.
