

# Swedish Communication Technologies Workshop (Swe-CTW)

10-12 June 2019, Lund

<http://sites.ieee.org/swe-ctw/>

## Workshop Chairs:

Michael Lentmaier, Lund University  
Lars Kildehøj, KTH Royal Institute of Technology

## Workshop Steering Committee:

Lars Kildehøj, KTH Royal Institute of Technology (Chair)  
John B Anderson, Lund University  
Anna Brunström, Karlstad University  
Ove Edfors, Lund University  
Gunnar Karlsson, KTH Royal Institute of Technology  
Johan Karlsson, Lund University  
Peter Karlsson, Sony Mobile  
Björn Landfeldt, Lund University  
Erik G. Larsson, Linköping University  
Stefan Parkwall, Ericsson Research  
Fredrik Rusek, Lund University  
Mikael Skoglund, KTH Royal Institute of Technology  
Mikael Sternad, Uppsala University  
Erik Ström, Chalmers University of Technology  
Tommy Svensson, Chalmers University of Technology  
Fredrik Tufvesson, Lund University  
Elisabeth Uhlemann, Halmstad University  
Leif Wilhelmsson, Ericsson Research  
Jens Zander, KTH Royal Institute of Technology  
Hans-Jürgen Zepernick, Blekinge Institute of Technology

## Workshop announcement

The 2019 Swedish Communication Technologies Workshop (Swe-CTW'2019) will be held at Lund University on June 10<sup>th</sup> - June 12<sup>th</sup>, 2019. Swe-CTW'2019 will bring together researchers and research students in the general area of communication technologies and related areas.

The workshop provides an opportunity for researchers and research students to gather in a largely informal setting to share ideas, make contacts, and foster new collaborative links for the future. The workshop will feature tutorials, poster presentations of submitted abstracts, and invited talks by the top nominated papers for the IEEE VT/COM/IT Sweden Best Student Paper Awards.

## Poster abstract submission

Submitted abstracts will be reviewed for relevance and technical quality in line with the scope and quality of previously held Swe-CTW. The abstracts will not appear in any proceedings - only in the Book of Abstracts. Submitted abstracts can be from published, submitted, or previously unpublished material in the general areas of communication technologies and related areas. The abstract should be of a maximum of 300 words and submitted together with title, list of authors, and potential reference to where it has been published/submitted to [IEEE.SweCTW@gmail.com](mailto:IEEE.SweCTW@gmail.com) at the latest **May 6, 2019**. After this date, poster slots will be allocated on a first-come, first-served basis, subject to limitations on available space. A poster presentation slot will be allocated to all accepted abstracts.

## Nominate journal and papers

Nominate best journal and conference papers for the IEEE VT/COM/IT Best Student Paper Awards

- IEEE Sweden VT-COM-IT Joint Chapter Best Student Journal Paper Award
- IEEE Sweden VT-COM-IT Joint Chapter Best Student Conference Paper Award

The top five nominated papers will be invited for oral presentations during the workshop. Further details about the nomination process for the above paper awards, eligibility, selection criteria, deadlines, selection process, and presentation can be found at this link:

<http://sites.ieee.org/sweden-vtcomit/best-student-paper-award>

## Important dates

Submission of abstracts for poster presentation:	<b>May 6, 2019</b>
Notification of abstracts acceptance:	<b>May 13, 2019</b>
Registration deadline (for speaker and poster presenters):	June 3, 2019

For registration and further information check the workshop website at:

<http://sites.ieee.org/swe-ctw/>

If you have questions about the workshop please send an e-mail to [michael.lentmaier@eit.lth.se](mailto:michael.lentmaier@eit.lth.se)
