IEEE WIE FORUM USA EAST

ABOUT
The forum focuses on developing and improving leadership skills for individuals at all stages of their careers. Attendees will have the opportunity to hear inspirational and empowering talks presented by successful leaders. Emerging technologies will also be demonstrated, engaging attendees to facilitate discussion and potential advancement of STEM outreach class ideas.

SPEAKER TRACKS
Speeches centered around inspiration and empowerment will be presented by successful leaders from around the IEEE USA North-East region.

STEM WORKSHOPS
Hands-on technology workshops for area youth will be held. The workshops will allow local youth a chance to interact with engineering hardware while demonstrating to professionals methods for inspiring youth.
