

# Sponsorship Opportunities

## Benefits

APEGM's annual networking dinner is held to help encourage student engineers and geoscientists to become more involved in their profession before graduation. The dinner features a delicious meal, a professional speaker and activities to encourage interaction between the students and professionals. The networking dinner is a great way to promote yourself and your company and support the future of engineering and geoscience in Manitoba:

- Excellent networking and business development opportunities.
- Exposure to senior decision-makers in the industry.
- Association with a well-organized and productive event.
- Recognition as a supporter of excellence in engineering and geoscience.
- Exposure to new talent through engineering students in the engineering and geoscience fields for employment needs.

Program sponsors will also receive a sponsor recognition package commensurate with their level of support.
