Hi Dean,

We have our Virtual Canada East Cybersecurity Summit coming up Jan 20-21st. **We want to extend your IEEE Winnipeg chapter a complimentary Virtual Exhibit Booth Space in the Solutions Showcase (\$2500 value).**

- No Fuss - Easy Share email you can send to invite members (no registration costs)
- Free Virtual Exhibit Space with Member Recruitment Button (staffing is optional)
- Offer your Members Educational CPE Qualified Sessions with a keynote and local CISO panel
- Anonymous registration (no one goes on any list)
- Prize drawings

**Inside of your virtual booth, you can have membership information, brochures and even videos. Setup is easy.** Check out the agenda so far in the link below. **The only thing we ask in return is that you invite your members.**

We are also always looking for good government keynote speakers and local CIO/CISO's for our panels. If you have any members who would fit the bill, it is a great way to help bring more prospective members to your booth and we appreciate the recommendations.

**Are you interested in a free booth? Shoot me an email or call me for more details and to get the ball rolling. Marketing generally limits me to 5 free non-profit booths each summit and this summit is going to have a large attendance.** So let me know as soon as you can if you are interested.

Looking forward to working with you,

**Jennifer Walker**
