Excursions:

WiSEE local arrangement committee recommends the following self guided tours while you are visiting Montreal. For more information visit the links or contact conference committee.

La Balade pour la Paix: An Open-air Museum is part of the official program for the 375th anniversay of Montréal. The exhibition was designed and organized by the Montréal Museum of Fine Arts with the support of McGill University. La Balade pour la Paix occupies a kilometre of Sherbrooke Street between the MMFA and Concordia University, on one end, and the McCord Museum and McGill University, on the other. Some thirty monumental sculptures by contemporary artists from several countries and the five main regions of Canada are on display. Visitors strolling by the sixty-seven stations along the route will also see recent works by thirteen contemporary photographers. Here is a quick overview! On display until October 29th 2017.
