ieee.ac.sac@ieee.org

In recognition of the best individual or team-based project in Australia...

- The contest is **open to all undergraduate IEEE student members in an Australian Section.**
- The projects presented must be **original**, and may be on any subject in the field of interest of the IEEE's Societies or Councils.
- Submission will consist of a **3 minute YouTube video** showcasing any course work (project or research) from an Australian education institution or extra-curricular work undertaken by the student/s.
- Submissions can be **individual or team based.**

Submission document and entry details must be completed electronically via the IEEE Australia Council web page before the nomination closing date of February 16 2020.
