2020 IEEE PES/IAS PowerAfrica Conference

PowerAfrica Goes Virtual August 25-28

Call for Postgraduate Forum Papers

IMPORTANT DATES

Extended Paper Submission Deadline: ~~17th April, 2020~~ 24th May, 2020

Notification of Acceptance: June 30, 2020

Camera-Ready Paper submission with IEEE copyright forms: July 12, 2020

Author Registration Deadline: July 31, 2020

The conference will feature keynote addresses and invited presentations by distinguished scientists and engineers. IEEE PES-IAS PowerAfrica Conference 2020 will organize a postgraduate (PG) Forum on *''Sustainable and Smart Energy Revolutions for Powering Africa''*. The objective of the forum is to create a stimulating environment for graduate students to discuss their on-going research work with peers and experienced researchers from academia and industry. The target audiences of the forum are PhD students, recently graduated PhDs, supervisors, conference attendees, and master's students planning to pursue PhD studies in the related area of the PG forum. The forum will be organized as a poster session.

Current graduate students and researchers who completed their PhD dissertations in 2019 are encouraged to submit full-length paper (5 pages maximum). Submissions will be reviewed to ensure quality and relevance. Authors of accepted submissions are expected to attend IEEE PES-IAS Power Africa 2020 and present their work in form of a poster and a short presentation at the PG Forum. All accepted papers will be published in IEEE Xplore and indexed by Scopus, provided that at least one of the authors has registered and presented at the conference. A certificate will be awarded to the best dissertation.

Paper Submission: Submit through EasyChair via the following link:

https://easychair.org/conferences/?conf=pac2020

For more details, check the conference website:

Submission Guidelines

Graduate students are invited to submit a full-length paper (maximum 5 pages, double column format, IEEE Conference format) describing current research and achieved results in themes related to the IEEE PES-IAS PowerAfrica Conference 2020. Authors who have published in previous editions of the PG forum are not allowed to submit. The paper should include the authors' names (student and supervisor), affiliation, and email address. Submissions must be PDF files, written in English, and should adhere to the IEEE format.

The paper should have the following structure:
● Title of the research work
● Abstract
● Keywords
● Background/introduction and literature review about the topic
● Theoretical/mathematical models
● Methodologies
● Results and discussions
● Conclusions and future work
● Acknowledgements
● References

Organizers

1. Imed Ben Dhaou, University of Monastir, Tunisia, and University of Turku, Finland (Chair)
2. Kouzou Abdellah Laboratory of Applied Automation and Industrial Diagnosis, University of Djelfa, Algeria.
3. Avoki Omekanda, General Motors – Global Research & Development Center, USA.
4. Irene Samy, Department of Industrial Engineering, Nile University, Egypt
