

The First IEEE Baltimore Technical Colloquium  
& Professional Development Conference  
University of Maryland, Baltimore County  
2024 November 2, Saturday (9:00a-5:00p)

## Call for Posters & Demos!

Submit now!  
One-page Abstract

Poster Sessions and  
Speaking Opportunities

“Innovating Tomorrow: Navigating Emerging Technologies  
with Strong Leadership Skills for Sustainable Success”

- Showcase your research or recent projects through interactive poster displays, engaging demonstrations, or hands-on displays.
- Authors of accepted one-page abstract may also be selected for oral presentation, panel, or workshop in the main program.
- **Demos also require an abstract.** Contact: [baltimore-conf@ieee.org](mailto:baltimore-conf@ieee.org)

**Deadline: August 30, 2024**

Author notification: Sep 06, 2024

\*\*\*Authors are responsible for own  
Registration and Travel expenses.

### 4 Tracks with concentrations in:

01. Engineering in Medicine and Biology
02. Power and Energy  
Power Electronics
03. Communications  
Computing
04. Professional Development  
“Power Skills”

### Suggested Topics

Artificial Intelligence  
Blockchain  
Cybersecurity  
Robotics  
Computational Medicine  
Data Analytics  
Smart Cities  
Power Electronics  
Quantum Computing  
Space Communications  
Advanced Wireless  
Semiconductors, VLSI  
Information Technology  
Leadership & Management  
Women in Engineering Issues  
Prof. Licensing (EIT, PE)
