

# The Trust Paradigm: Implementing Trust Methods in Information Technology Management and Security

## October 17, 2006

### AGENDA

- 7:30 - 8:00           **Registration and Continental breakfast**
- 8:00 - 8:10           **Welcome:** Program Chair Richard C. Schaeffer, Information Assurance Director, NSA
- 8:10 - 8:20           **Introduction:** Jeong Kim, President, Bell Labs
- 8:20 - 9:00           **Overview: The Trust Paradigm:** Carlos Solari, VP, Security Solutions, Bell Labs
- Opportunities and Solutions*
- 9:00-9:10           **Introduction:** Chi-Ming Chen, Chair Elect, IEEE CQR
- 9:10-9:30           **E-voting:** Mark Skall, NIST ITL
- 9:30-9:50           **Common Criteria:** Audrey Dale, NSA
- 9:50-10:10          **The Bell Labs Security Standard:** Carlos Solari, VP Security Solutions
- 10:10 – 10:20        **BREAK**
- Trust Platforms*
- 10:20-10:40          **Intrinsic Vulnerabilities in ICT:** Karl Rauscher, Chair IEEE CQR Advisory Board
- 10:40 – 11:10        **Trusted Computing Group:** Mark Schiller, President, TCG
- 11:10 – 11:30        **MicroSoft:** Steve Lipner, Director of Security Engineering Strategy
- 11:30 - 11:50        **Cisco:** Greg Akers, SVP/CTO of Global Operations, Cisco
- 11:50 – 12:10        **AT&T:** John Nagangast, AT&T Government Solutions
- 12:10 - 1:00         **LUNCH**
- 1:00 – 1:20           **HP:** Mark Schiller, Director: Trusted Computing Strategy
- 1:20 - 1:40           **Sun:** Glenn Brunette, Distinguished Engineer, Sun Microsystems
- 1:40 – 2:00           **Intel:** Greg Clifton, Intel
- 2:00 - 3:00           **Breakout Group Discussions**  
*How can trust platforms support federal information security practices?*  
Group Leader: Gene Spafford, Purdue University  
*How can federal policymakers capitalize on trust platforms and solutions?*  
Group Leader: John Nagangast, AT&T  
*How can we make trust solutions ubiquitous to globally enhance the state of information technology?* Group Leader: Amal Chaudhari
- 3:00 - 3:10           **BREAK**
- 3:10 - 4:00           **Breakout Group Reports and Discussion:** Group Leaders
- 4:00 - 5:00           **The Path Forward:** Wyatt Starnes, President/CEO, SignaCert  
**Closing Comments:** Karl Rauscher, Executive Director – Bell Labs NRSO
- 5:00 – 6:30           **NETWORKING RECEPTION**
