Awards:
IEEE IC – Outstanding Student Volunteer Awards

Brief Bio:

Anagha N is currently pursuing her 3rd year of BTech degree in Computer Science and Engineering from Government College of Engineering Kannur, Kerala. She is presently volunteering as the Malabar Hub Student Representative of IEEE LINK Team 2021, Student Coordination Team of IEEE Kerala Section and also the Networking Coordinator of IEEE India Council Student Coordination Team 2021. She is diligently volunteering in that position and has started new venture and organizes structured events to increase the networking and to provide exposure to the student members. She also served as the Chairperson of her SB and the Publicity Manager of IEEE PIE (Promotion of innovation and entrepreneurship) Kerala section in the year 2020. She has also received the prestigious Richard.E.Mervin Scholarship of IEEE Computer Society for the September 2020 cycle.

Achievement for which the award was given:

Was Awarded for enthusiastic support as a student volunteer to Kerala section/chapter activities, new initiatives and contributions, demonstrating administrative abilities and leadership skills and commitment for technical development of engineers and students at large.
