IEEE IC – Outstanding Student Volunteer Awards

Brief Bio:

Mr. Virendra Pratap Singh is currently pursuing his undergraduate degree in Computer Science and Engineering from The NorthCap University. He is in his final year and has been an active IEEE student member for the past four years. Throughout the past four years, he has added immense value through his efforts in the form of various initiatives at the Student Branch, sectional and national level. He has unmatched leadership skills and the zeal to volunteer and make a difference. Within him, there's an appetite to contribute and upscale every initiative that he partakes and brings out the best in any individual he has ever worked with. Working proactively despite barriers is an instrumental quality that he portrays.

Achievement for which the award was given:

Under his tenure as chairperson, IEEE NCU Student Branch bagged the following accolades: • IEEE R-10 Best Student Branch Website Contest Award (2020) • IEEE Darrel Chong Student Activity Award (Silver, 2020) • Women In Engineering R-10 Poster Competition, SYWL (2020) • Featured in 2021 January issue of R-10 Newsletter • Best TEMS Student Branch Chapter Award, Global (2021) • IEEE Code of Ethics Contest at AICSSYC'2019
