Welcome to Providence, Rhode Island

IEEE Region 1 and the members of the IEEE Providence Section are proud to host the 2014 IEEE-USA Annual Meeting and the InnoTek2014 **Innovations in Technology** Technical Conference.

The Providence Section, serving members and the electro-technology profession in Rhode Island and on the south coast of Massachusetts, expects that InnoTek2014 will draw members and non-members alike to an IEEE *Innovations in Technology* Conference that will help kick off IEEE-USA's 2014 Annual Meeting,

Rhode Island's official nickname is "The Ocean State" as Rhode Island has several large bays and inlets making up 17% of its area. Rhode Island is family friendly! It is easy to find nuggets of limitless recreation, fabulous food and drink, and flourishing culture in Warwick, Providence and nearby cities. See for yourself - come early or stay late to enjoy all that Rhode Island has to offer.

You'll find many retailers - large and small, international and local - within an easy reach of the hotel.
