ONE WEEK WORKSHOP (ONLINE) ENTITLED AS “SMART ELECTRICITY FOR SMART NATION”

The Department of Electrical Engineering, Govt. Women Engineering College Ajmer has organized a one week (5 day) Online workshop during March 01-05, 2021 on “Smart Electricity for Smart Nation”. This workshop was designed according to the need of sustainable energy in future. This workshop was framed for instilling technical skills in UG students/PG students/Research Scholars/Faculty/Industry person for facilitating an extensive knowledge in the area of sustainable energy environment. This workshop was beneficial for the students, faculty and researchers in terms of knowledge and research purposes. This workshop was plans to get experts from reputed colleges like NIT Jaipur, NIT Bhopal, RTU Kota , BTU Bikaner and other reputed institute of the state and country. This workshop was designed to forecast the present scenario in the field of Artificial Sustainable Energy, Electric Vehicle, Smart Grid and Renewable Energy Systems such that the participants gain knowledge related to their integration in Power Systems and learning how to implement that knowledge for the research and learning purposes.

Number of Participants: 55

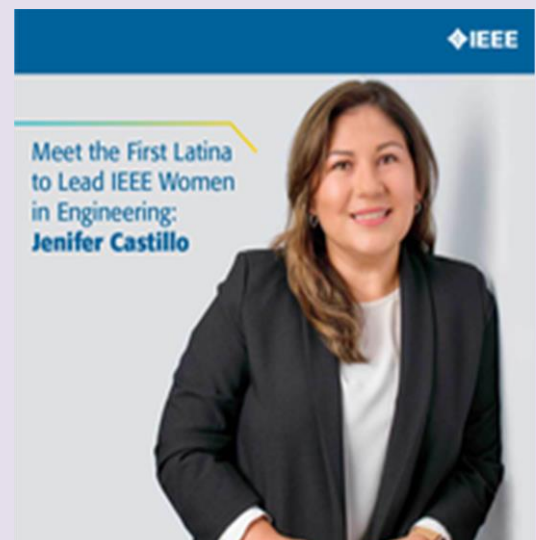

Number of IEEE Members as participants: 02

The list of faculty coordinators/co-coordinators organizing the workshop is as follows:

1. Mr. Pushendra Singh (Coordinator)
2. Mr. S.N.Joshi (Coordinator)
3. Dr. F.B.Sharma (Coordinator)
4. Dr. Mohd Saalim Qureshi (Co-Coordinator)
5. Dr. Renuka Kamdar (Co-Coordinator)

ONE WEEK ONLINE FDP ON EMERGING TECHNOLOGY FOR DEVELOPING NATION

The department of EE, ECE and CE has organized one-week online FDP on Emerging Technology for Developing Nation from Mar. 08-12, 2021. This FDP is designed according to the need of emerging technology for developing nation in future. This FDP is framed for instilling technical skills in Research Scholars/Faculty/Industry person for facilitating an extensive knowledge in

the area of emerging technology. The various aspects of engineering such as Basics of Sustainable Energy Systems, Microwave and antenna, Artificial Intelligence Techniques, Networking, etc. dealt in this FDP. This FDP intended to make researchers confident for doing work for the future of sustainable energy. This internship anticipate that it not only builds the fundamentals of sustainable energy but also offer a very sound technical knowledge in the area of current research going in the application of emerging technology. Number of Participants: 44

Number of IEEE Members as participants: 02

The list of faculty coordinators/co-coordinators organizing the workshop is as follows:

1. Pushendra Singh	Coordinator
2. Pankaj Kumar Sharma	Coordinator
3. Varun Prakash Saxena	Coordinator
4. Hemant Kumar Vijayvergia	Coordinator
5. Shyam Sundar Agrawal	Co-coordinator
6. Amit Garg	Co-coordinator
7. Ravindra Singh Chauhan	Co-coordinator
8. Satyanarayan Joshi	Co-coordinator
9. Umesh Kumar	Co-coordinator
